Dear The Lounge,

I had been with my boyfriend for about five years before he proposed. Initially, this was all I had been hoping for, and I said "Yes!" almost before he had finished! But as soon as his ring was on my finger, I started to think about having one last fling before I took my vows. It began as a fantasy – a daydream to indulge in when I had a spare moment – but it quickly developed into an obsession.

As the big day loomed, I became unable to think of anything else. I was starting to feel trapped and claustrophobic (and Andrew had always been the one in our relationship with a commitment phobia). I was relatively sexually inexperienced and became terrified that I would never know another man's body. In the end, I felt like I had no choice in the matter, and I decided to fuck another man to save my relationship.

Getting ready for my big night I pulled out all the stops. I had bought a sexy new Wonderbra, which pushed my tits up and out, creating a fantastic cleavage. I also had a matching G-string and suspenders. Over this, I wore the skimpiest little black dress I could find. I felt confident and sexy; I wanted to be a temptress to the men in the club and to lure one of them into fucking me. This thought made my knickers wet before I'd even headed out of the door.

I spotted my man as soon as I entered the club. Although I am usually fairly shy, I

felt like I was another person on this night and just lost my inhibitions. He was working behind the bar, and I just watched him move; pretty soon, he noticed me. He managed to introduce himself as Peter in between serving drinks and kept directing winks at me whenever I caught his eye. I knew it was going to happen, so when he came over and told me he had a ten-minute break, I played my ace.

All I could think about was having his cock

“I dropped to my knees in front of him and licked my juices up off his stiff cock...”

inside me, and soon I was moist between my legs. I could hardly stand the anticipation, and although he'd not even touched me yet, I felt I could shag him right there and then. It took all my willpower not to just pull my scanty knickers over to one side and let him slip into me right across the bar in full view of the thirsty crowd. I followed him down a maze of corridors and then through a dirty white door. I was shocked by the change in temperature and could see mist forming from my breath as he led me down into the cellar.

As soon as we reached the bottom of the stairs, I reached up and grabbed behind his head, pulling him towards me. I kissed him long and hard, probing with my tongue in his mouth. As we kissed, I grabbed his bum and felt his solid dick pressing against me. We kissed again passionately, and he put his hand up my skirt. His hands roamed all over the top of my legs, feeling and enjoying the sensation of my suspenders. He reached up between my legs and pushed a finger up inside my slippery cunt.

My breath was coming in short gasps now as he inserted another digit inside me, pushing them as far in as they could go. I reached down with my hand and undid his zipper. I reached inside and found his straining dick. I placed my hand around the shaft and pushed the foreskin back, leaving the head pointing towards me. He let out a sigh and pushed his fingers inside me again, harder and faster.

I wanked him off while he finger-fucked me, but soon this was not enough for either of us. He pushed me back against a wall, and I wrapped my legs around his waist, impaling myself on his massive cock. He slid straight in, and it was all I could do to stop myself from just coming on the spot. He held me up with one hand, and the other reached inside the top of my dress.

The chill of the cellar had caused my nipples to draw up and become erect. His fingers found my hardened point and twisted it, stopping just before the end of pain to create an exquisite sensation, which ran down the length of my body. I flung my head back, and he kissed my neck, biting it softly with his upper lips and simultaneously cushioning it with his lower lips. He placed both hands on my arse now and lifted me up and down, with greater frequency. He had a very muscular upper body, presumably from lugging around crates of beer but this meant he was able to lift my weight with little effort. The back of my dress got caught on a rough section of plaster and ripped adding to the sensation of abandonment. I felt wild and sexy and could almost believe I was no longer myself anyway.

Peter reached one hand still further around me and slid his finger towards my arsehole. I was so excited I felt ready to try anything and was surprised by the sensation of penetration. The dual effect of being penetrated in both my holes was too much for me to bear. I could hold back no longer and reached a mind-blowing orgasm. Afterwards, I placed my feet wobbly back on the floor and realised Peter still hadn't finished. I dropped to my knees in front of him and licked my juices up off his stiff cock, running my tongue right along the full length of it. I took as much of his penis in my mouth as I could, and almost gagged when it hit the back of my throat. I moved my mouth up and down his shaft sucking noisily as I worked. After a while, I concentrated on wanking him off with one hand while cradling his warm balls with the other until he suddenly shot a great sticky wad into my open mouth. I quickly clamped my lips around his jerking pole and swallowed every last drop of his delicious come as it spilt out into my mouth.

I'm now happily married and that night is but an exciting memory, though it's one I relive every now and then after Andrew leaves for work with a frantic finger-wank, which always puts me in a good mood.

Amanda, Sussex.

They say the one thing you can't really fake is class – and that's something cock-twitchingly delicious Honour May has got plenty of. Well, a particular sort of spuzz-gurgling class, in any case. It's been two or three years since this wanton beauty first burst onto the international stage thanks to a series of red hot XXX photographs, in which she put that firm body of hers to excellent use. Clearly, though, she still likes to grace the pages of whichever lucky publication catches her eye – and this time it's us! It's a thumbs up from us, and a stiff sail from our readers.

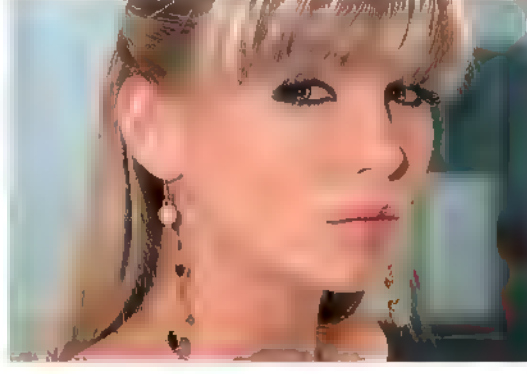

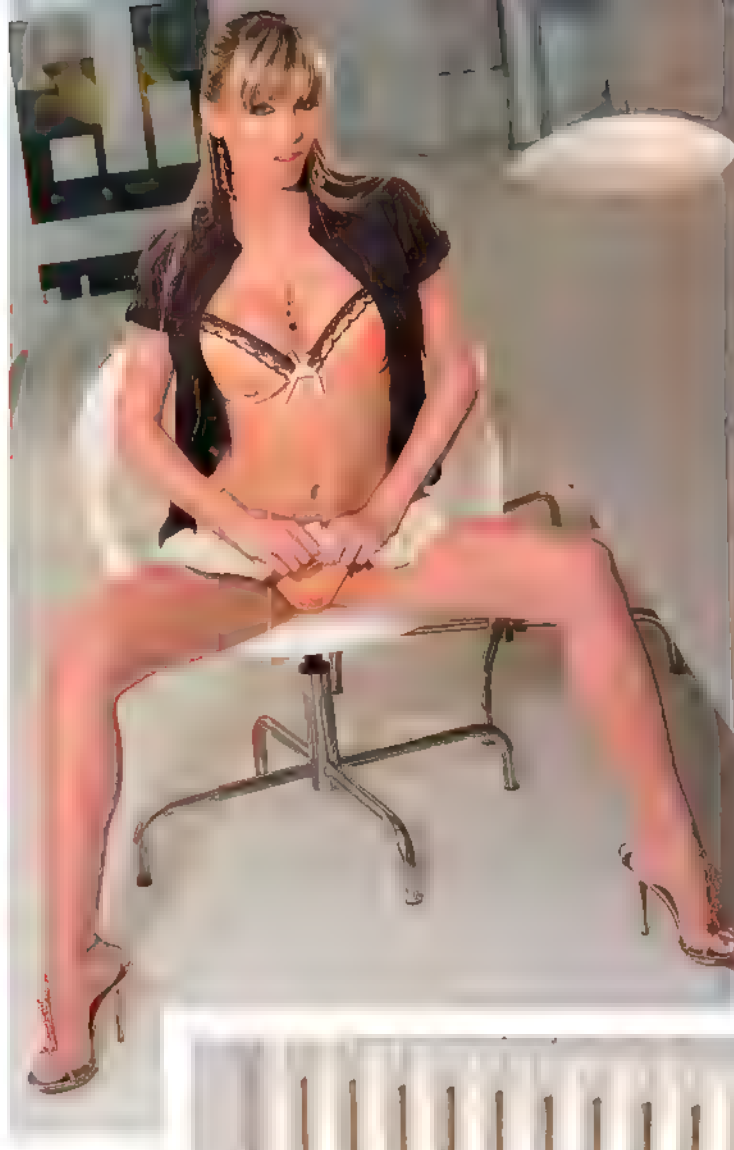

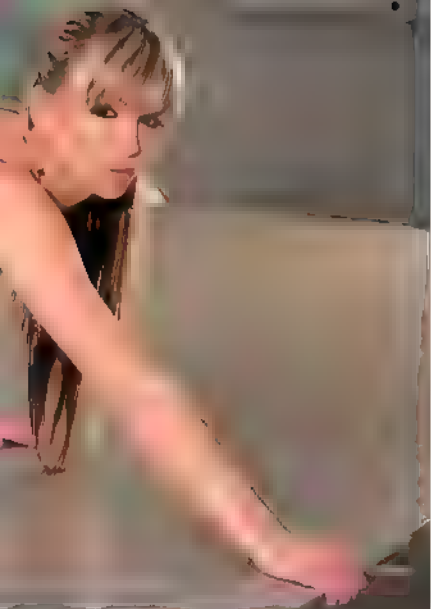

TOTAL RECALL

Dear Total Recall,
I was just seventeen
years old when I
first saw Gina while
having a sneaky peek in a
newsagents. There was instant
chemistry down below and a
desperate need to satisfy it. So
with a plucky heart and fibbing
through my teeth, I managed
to buy a copy of Club 37.08,
which I immediately took home
and dried out my balls on. I
kept that mag for donkey's
years, my first ever nudie mag,
but definitely not my last, and
I owe it all to Gina. It would be
great to see the girl that started
mag buying again. *Jamie,

They say that if you can't stand the heat, you should get out of the kitchen. Well unless I'm very much mistaken, Valentina looks to have her own take on that old chestnut. It goes something like this; "If you can't stand the heat, hose your bumhole down under the bathroom tap." What's the story with that? "Hmm, it's a long story, actually, but I'll tell you if you like. People go on about how they like to fuck in different places; you know, the living room, the bathroom, and the kitchen, and so on. Well, I went out with a guy and he always made a point of not just fucking but making sure we used all the things that came to hand wherever we were. He reckoned that if you didn't do this, you might as well stay in the bedroom."

We can see his logic.

lly knows her way around in front of a lens, with some eye-popping films to her name, this American like to switch it up from time to time. "Yes, I do like posing for photography as well as films. Better, in fact, because when you're making a film you've got to act really horny and get off to cue, but when you're just being photographed you have to be a lot more disciplined – and that always drives me crazy! By the time I've finished I'm so desperate for a shafting I'm practically climbing the walls!" So what you're saying, love, is that you're really quite gagging for it by the time a shoot's come to an end, eh? "Too right! The thought of all those guys and girls getting off on my pictures is such a turn-on, I think I'd fuck almost anything if it had a pulse!" Good stuff. Erm, you don't mind if we hang about for a bit, do you?

Nintendo Switch Lite

Feel like you need to lighten the mode? Well then, the compact version of the Nintendo Switch, could be just up your arthritic thumbs alley. Smaller, lighter and more streamlined than the original, the Switch Lite is more travel-friendly and less clunky. There's also slightly better battery life, though there's no HD Rumble or an IR Motion Camera, as this is purely a handheld games device. You can still play

wirelessly with friends, though, there's no in-house connectivity to have a sofa game off with real-life friends; you know the ones you want to socialise with outside chat rooms, and there are no funky surprises, like turning out to be a thirty-five-year-old man, when their profile says they're seventeen. A fantastic addition to the family, but it misses that physical connectivity it's older brother provides.

The Anal Awakening

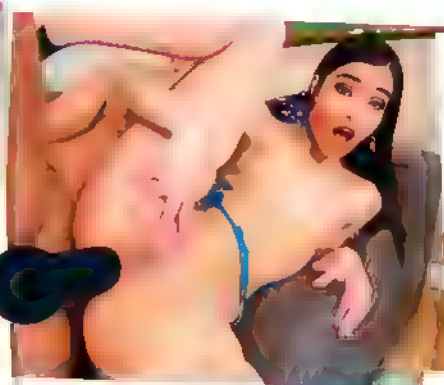

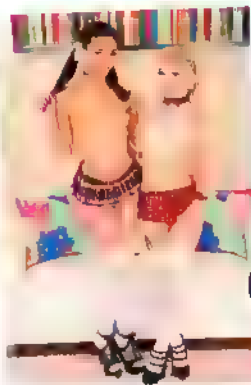

Evil Angel

Starring: Emily Willis, Francesca Le, Kenzie Reeve, Mark Wood and Ramon Nomar

Synopsis: "The married pervs at LeWood present an emerging starlet in

her first showcase video. 'Emily Willis: The Anal Awakening' captures the leading lady's lust for sodomy in diverse scenes. Kinky fantasies spotlight adorable Emily in taboo relations scenarios, manhandling anal action, a lewd, girl-girl tryst and a tumultuous threesome with co-directors Francesca Le and Mark Wood. Emily gives a revealing introductory interview and performs a luscious, poolside tease. When stepfather Mark catches the carefree cutie smoking a cigarette, he confronts her for her bad behavior. The sneaky slut seduces Mark, whose thick prick pummels

Emily's asshole. The darling doll drools through a nasty, ass-to-mouth blowjob Superstud Ramon Nomar treats the bubbly babe to bawdy backdoor reaming. Emily gags through a ferocious face fuck and swallows Ramon's thick, creamy sperm. In sexy schoolgirl attire, Emily and petite blonde Kenzie Reeves share a wild lesbian date. Emily's machine-operated dildo drills Kenzie's sphincter until Kenzie's cunt sprays fountains of girl squirt! Fed up with Emily's rebellious ways, hung Mark and MILF Francesca subject her to a disciplinary derriere drilling. Three-way action features rude rectal gaping, a cum facial, and a sperm-swapping climax."

Verdict: Emily Willis looks like she's having more than an awakening, as it's not just anal on the agenda, but girl on girl action, married couples threesomes and a whole heap more: overdrive in style

Verdict: This is one randy repairman, and

he can't get enough of MILF Ava Koxxx and her massive knockers. But it looks like Freddie Flavas has taken his eye off the job as he is seduced by Ava prancing about in her lingerie. It's not long before Ava is on her knees slurping down Freddie's hard meat, as Freddie gears up to give Ava the pounding of a lifetime, and it's great to watch those tits bounce. Ella Hughes and Sienna Day who incidentally both feature in this month's Men Only, also lay smoking sex on with a trowel, with Sienna Day getting pricked twice and Ella showing us that it might just be redheads that have more fun.

There really is a zing about Lucy Zara, and just to prove it she was crowned Club Girl of the Year at the recent Paul Raymond Awards 2019. So one shiny prize later and a lot of bubbles in celebration, this lady has proved herself ruling Queen of your cocks, but what did the lady herself have to say about it? "I was so surprised! Any fans of Westworld in the building? We all had our own little filthy fantasies of the actress who plays Dolores, Evan Rachel Wood. But with a real-life Dolores on the table, it could be hard to resist, especially in this fetching outfit that's causing quite the stir.

"It's fun isn't? Well, that's why I'm wearing it, plus the fact that if I take my t-shirt off my tits pop out the top."

Yes, we are fully aware of this phenomenon and are already planning ways in which this get-up could be expanded to a broader audience.

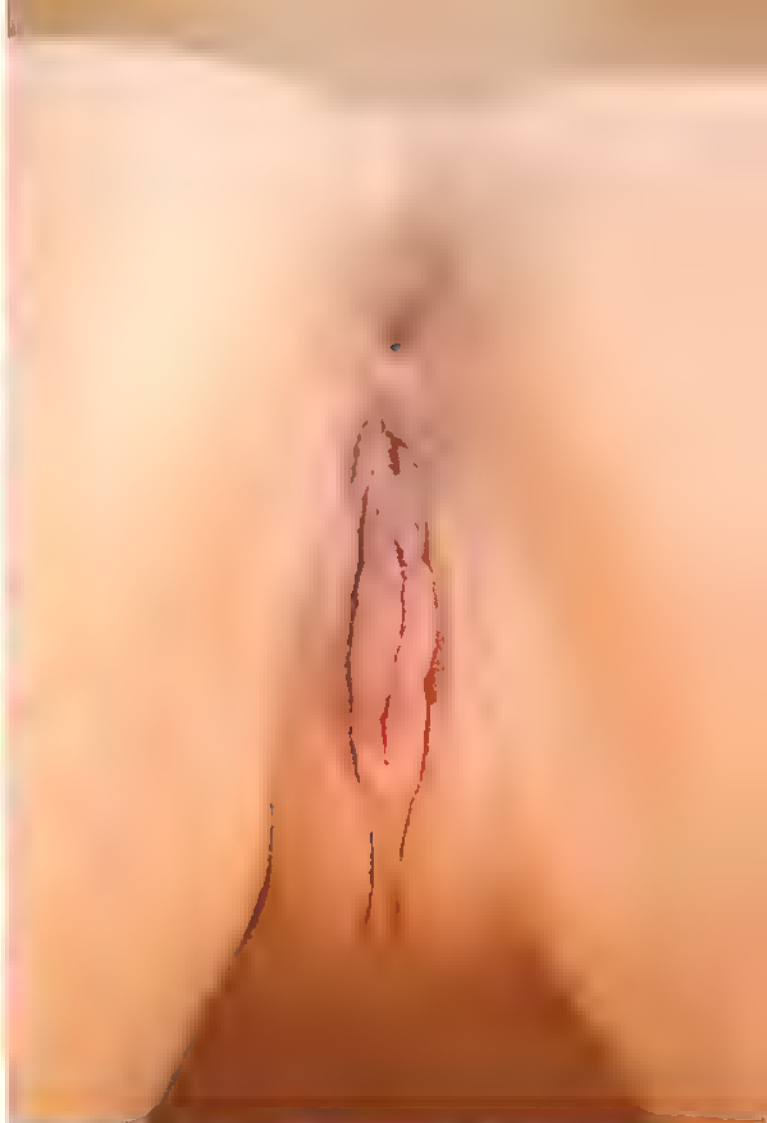

"I'm glad you like it, and do you like this?"

Dropping off the outfit, Dolores bends over to give a full view of I'm sure you can guess what. Mind you there's no need to guess, you can see for yourselves.

Talkin' Blue

LIPS SERVICE

I was silly enough to tell my boyfriend I'd had a fling with another girl while I was at college and this fascinated him. He always got me to tell him about it whenever we fucked; he loved hearing all the graphic details about how I licked her pussy and how she fucked me with a strap-on. Sometimes he'd wank himself off as I recounted the rudest bits of the story.

To be quite honest, I'd made pretty much the whole thing up. I did have a drunken kiss and cuddle with one of my girlfriends a few years ago, but that was it, really. I just exaggerated the whole thing to Billy because I liked seeing him get turned-on by it, but the whole thing back-fired on me one evening last month.

I got home to find Billy sitting with some strange girl and I demanded to know what the hell was going on.

"Relax, she's here for you," he told me and I asked him what he meant. "I found her in the personal ads and invited her around and have sex with you while I watched. You said you wanted to do this, remember?"

I was stunned. Sure we'd talked about it a few nights before and I'd made a big deal about wanting to eat pussy while Billy fucked me from behind, but this was just fantasy talk, I hadn't expected him to take me seriously. Yet here she was, live and in the flesh, a real swinger, ready to do the business with me and I realised I had to eat something; either her pussy or my words.

I can't pretend I hadn't found the idea of drinking from another woman's cunt highly exciting the other night, but the suddenly reality of her presence had me quaking in my boots. I put on a brave face and agreed to do it however, and the three of us went into the bedroom and got undressed.

Abigail had a wonderfully slender body and

her pussy was shaven completely bald. She wrapped her arms around me and I tried not to flinch when she gave me a kiss. Then she dropped her hands down my back and stroked my bum.

"Let's 69," she suggested. "I want to suck on your pussy as you suck on mine."

She pushed me onto the bed and looped a leg over me so that she was straddling my face. I'd never seen another woman's cunt this close up before and examined it closely before giving it a little kiss. Abigail sank down onto my face, pinning me to the bed and forcing her cunt into my mouth. I parted my lips and gave her a tentative lick, tracing the

“He rubbed his cock all over my face and pressed his bloated helmet against her...”

outline of her slot with the very tip of my tongue before dipping it inside. She squirmed about on my face then did the same to me, pushing apart my legs and licking my cunt. I bucked my hips as she did this, freaked, but incredibly turned-on, at the intimacy of her tongue. She lapped all around my hole and pulled at my fold with her lips, then waited for me to reciprocate – something I was increasingly keen to do! I parted her lips with my fingers and ran my tongue up her sticky pink trench, then gasped as she did the same to me.

The taste and smell of her warm sticky sex was intoxicating and I pulled her back into my face so that my nose was sandwiched between her buttocks as I tongue-fucked her cunt.

Billy stood over us and wanked as I chewed at Abigail's lips. He rubbed his cock all over my face and pressed his bloated helmet against her cunt so that his balls rest in my eyes. Abigail reminded Billy that she was a lesbian, not bi-sexual, but Billy begged to put it in her anyway, and eventually she agreed.

"Okay, just a few little pumps then," she told him. "But don't come in me."

Billy looked down at me for approval and he got it, so he stuffed his cock all the way

inside her hot snatch and fucked her nice and slowly as I sucked on his balls. It was the most erotic thing in the world, the both of us fucking another woman and I felt a great surge of arousal build in my womb, then explode through every pore on my body. Billy pulled his cock out of Abigail, jerked for a bit then shot a great wad of sperm all over her delicious cunt. I watched mesmerised as he shot squirt after squirt up between her legs, then stuck out my tongue and licked every last drop up, bringing Abigail off in my mouth in the process.

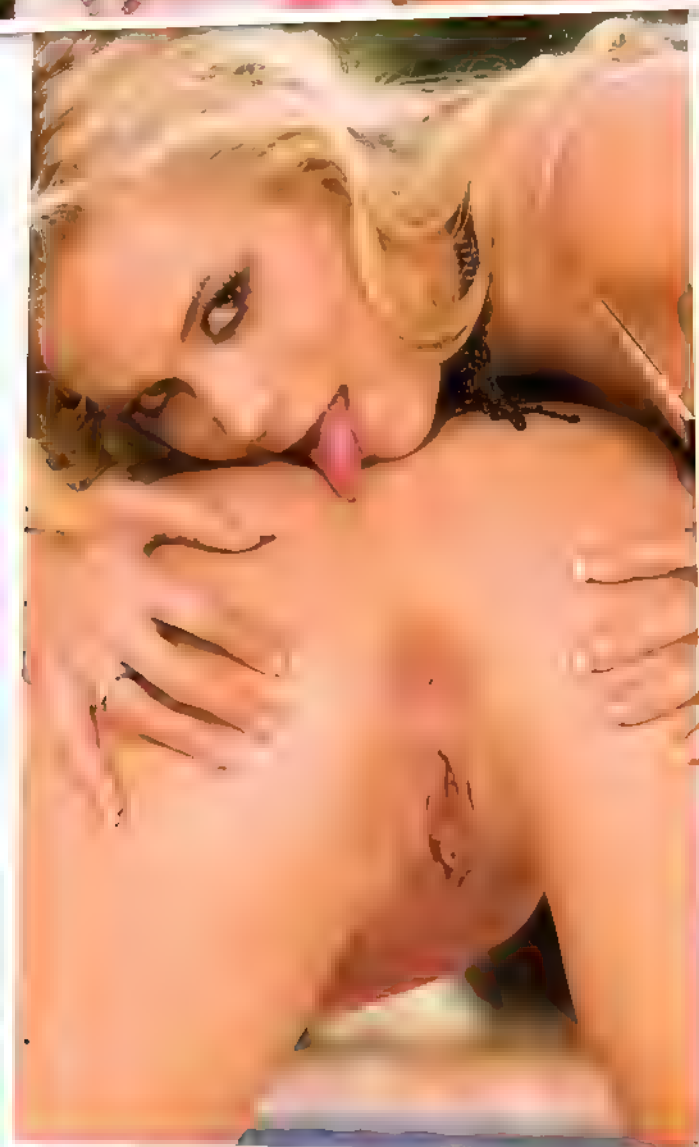

The three of us took a time out to catch our breath but went straight back at it after a few drinks. Abigail even tried sucking on Billy's cock, something she never thought she'd get to do and found she actually enjoyed it. I really liked watching her pleasure him, especially when she sat on my face as she did it. She said she's going to drop by and see us again real soon. She even asked if she could bring a girlfriend. Like I said to her, come one, come all! – Jenny, Peterborough.

BIRTHDAY BONE

I'd been looking forward to a nice romantic birthday meal with my boyfriend for weeks, so when he turned up at 10pm, already stuffed and drunk, I hit the roof. He claimed he'd got confused and thought my 25th was actually on the 25th and only realised his mistake after he'd had a few pints with the lads.

I grabbed the car keys and headed for the door in a complete rage. Tony asked me where I was going, so I said, "It's my birthday. I'm going out to enjoy myself!" I wasn't sure where I was going or what I was going to do but I was determined, whatever it was, Tony wouldn't like it.

I drove around in circles for an hour or so, mad as hell and swearing that this was the final straw, when I spotted some cute young lad waiting at a bus stop. I ran an eye over him and thought about all the things I'd like to do with him if I was single. Then I braked and

“My cunt quivered around his cock as he stroked it in and out of me...”

told myself, “Fuck it, tonight I am single!” I drove back, stopped beside him and asked if he needed a ride. The guy was surprised but accepted gratefully. He told me his name was Phil and that he was heading home after a night out.

I decided to be quite blunt with him and told him what had happened between me and my boyfriend, and then asked if he wanted to party before he went home. Phil was more than happy to help me out and put his hand on my leg as I drove. He stroked my thigh and pulled up my skirt, before slipping his hand underneath the hem and pressing his fingers against the front of my panties. I opened my legs a little and enjoyed the feel of his fingertips scratching against my lacy gusset.

“Can we go back to yours?” I asked, but he said his girlfriend was waiting for him there, so we parked up in the car park behind the supermarket.

I pushed the seats back as he took his trousers off and pulled at his cock until he was lovely and big in my hand. Phil stroked me up between the legs, then slipped his fingers inside my panties and pressed my swollen flesh. He worked a finger inside me and finger-fucked me this way for a time until

I was slippery all the way down to my stocking tops. I wriggled out of my panties and opened my legs and Phil darted his tongue across my cunt. He pulled back my hood and dabbed my clit again and again until my whole body was alive with pleasure. I tugged at his cock as he brought me off with his mouth, and I stretched a leg up onto the dash to give him total access to my dripping hole.

Phil slipped his tongue deep into my pussy, then made me gasp with surprise when he licked around my arsehole.

“Put your cock in me,” I pleaded with him as he fingered me in both holes simultaneously. Phil got between my legs and stroked his hard length over my wet pussy. He teased me with it for several seconds before finally surging forward and penetrating me.

His prick was not only long, it was wonderfully thick and he stretched my pussy so wide that he almost brought me instant relief. He pinned my legs back and thrust into my sticky sex, feeding me every last inch, then drawing it slowly out and thrusting in again.

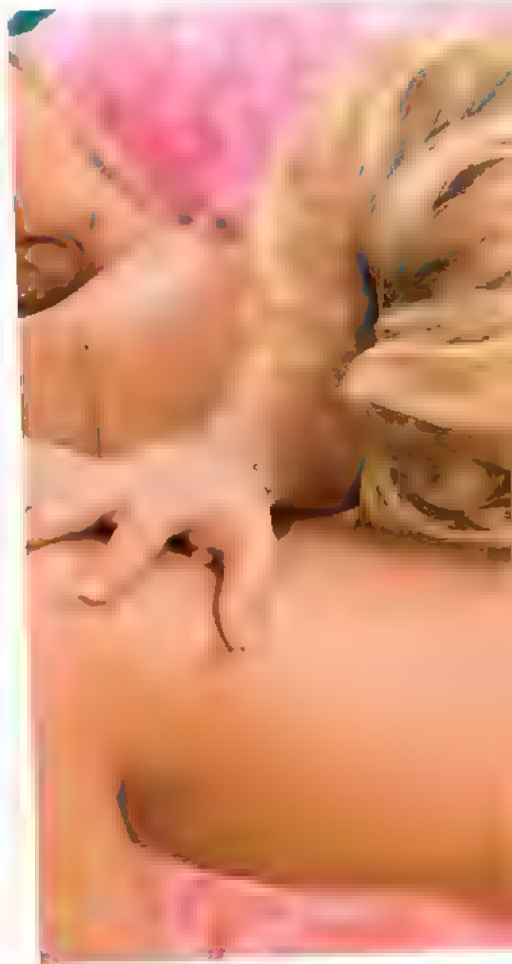

My cunt quivered around his cock as he stroked it in and out of me and I kissed him all over his face and pulled open my blouse to show him my see-through bra. My nipples were long and erect beneath the thin material and he flicked and tweaked them without pulling down my bra.

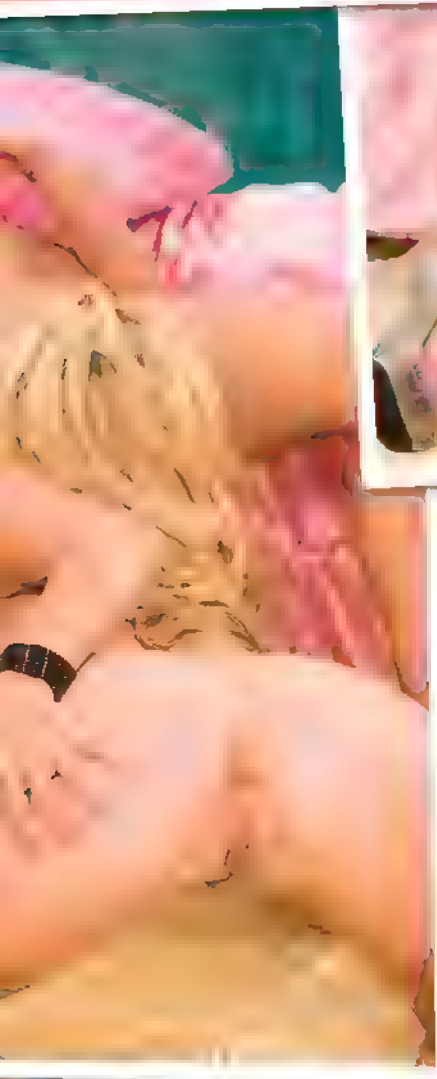

I was so excited to be doing this with someone I barely knew that I lost all my inhibitions. I fucked back against him as hard as I could, swallowing his dick again and again and whispered dirty filth in his ear as my lust swelled inside me. I clawed at his bum and wrapped my legs around him the harder he ploughed my sex and all at once I was coming. My fanny spasmed around his cock and shot lightning bolts of bliss out over my body.

“Come on me,” I moaned. “Do it all over me.”

Phil held onto the back of the seat and fucked me really hard for the next thirty seconds, and all I could do was hang on as orgasm after orgasm ripped through me. Phil let out a moan as he neared the point, then quickly pulled his dick out of me and shot his load all over my tits. Splash after splash soaked my bra and pooled in my cleavage until the sweet smell of semen filled the car.

We arranged to meet again, then I dropped him off and drove all the way home still covered in his sperm. Tony was gone when I arrived home, which was a shame as I wanted him to see the penalty for forgetting my birthday. Linda, London.

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PREM PIE!

My husband loves anal sex. We have been married for two years and during this time I have come to enjoy it too. We only indulge in anal sex once a week as I am afraid of becoming too loose back there. However, because we restrict ourselves to only one arse-fuck every seven days I make an effort to be extra sexy for Mark dressing up in provocative ways that I know will really turn him on.

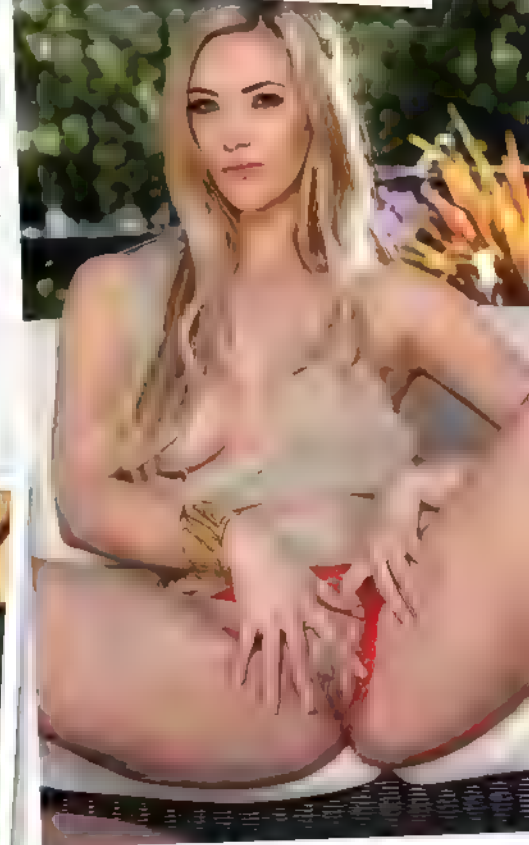

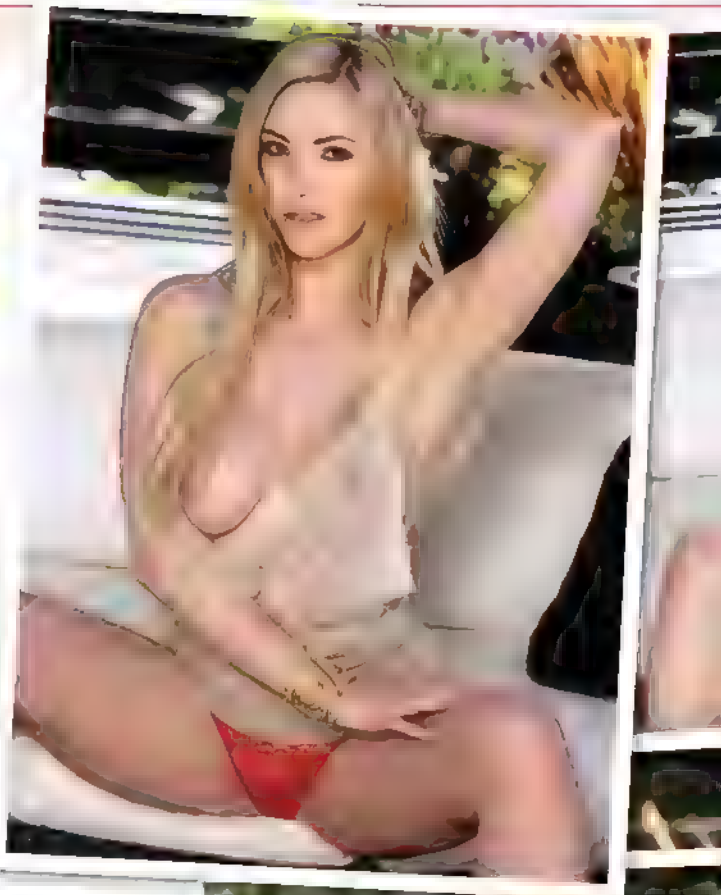

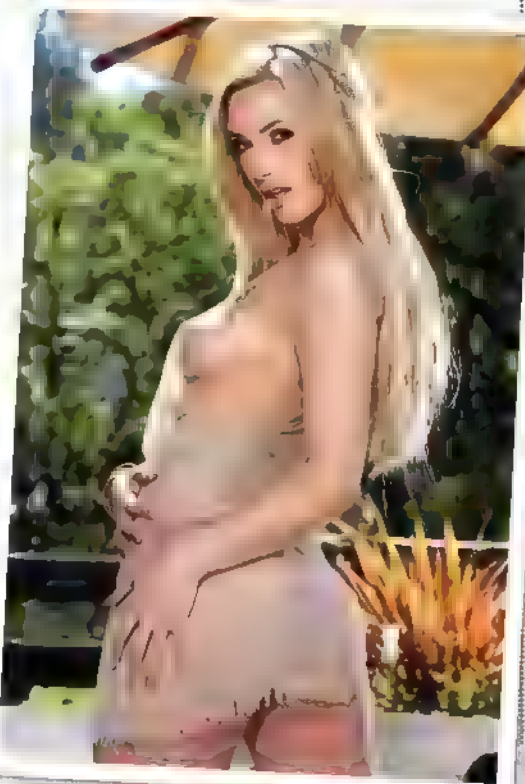

The thing that attracted Mark to me in the first instance was my innocent young girl looks. He especially likes me to wear short skirts, cotton knickers and ankle socks for our anal nights. Last time was no exception: I was wearing a cute little pale pink T-shirt short denim skirt with pink cotton panties and socks to match. We were in the kitchen and Mark was delighted with my outfit, turning me around to examine every detail and commenting favourably on the matching socks T-shirt and panties. Complimenting me that I still looked like a teenager, he pushed his hands up under my skimpy skirt and salaciously massaged the dampening gusset of my panties.

His breathing quickened with lust and I could feel his cock straining against his flies through my skirt. I unzipped him, releasing his rampant tool, teasing his moist mauve cock-head with

my fingertips I until the first beads of pre-cum appeared. I squatted and licked these off as a prelude to gobbling him hard, watching him wriggle as he felt my warm mouth dexterously working his member.

After a short while the stimulation plainly proved too much for Mark to bear. He pulled me gently to my feet, and, turning me around, helped me out of my T-shirt. I was bra-less, and he cupped my breasts in his hands, gently squeezing them before rolling my erect nipples between

“Releasing his rampant tool, teasing his moist mauve cock-head with my fingertips until the first beads of pre-cum...”

fingers and thumbs. I arched my back and lent into his body, feeling his hard-on poking against my lower back.

Lifting the back of my skirt, he caressed my buttocks through the cotton fabric of my panties as he guided me towards the kitchen table. Bending me across its surface he peeled my panties down and off and spread my legs. I felt his finger slide across my clit, then his rigid cock began forcing itself inside my juicy fanny. Having lubricated his tool

“

Pressing his helmet against the entrance of my bottom-hole he prodded it until my sphincter muscle expanded sufficiently.”

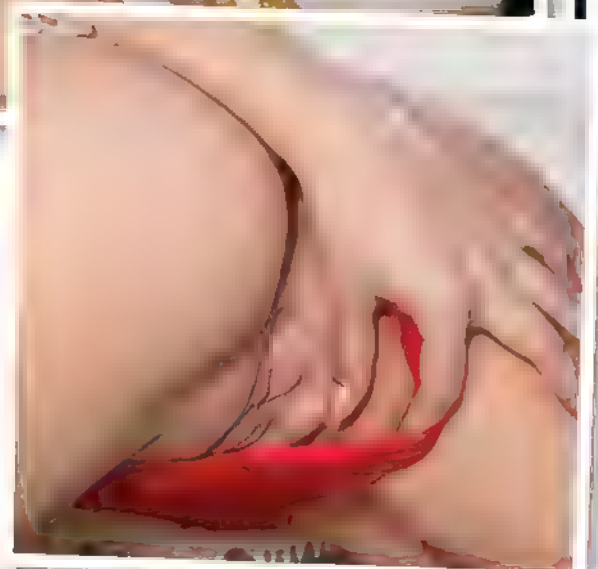

inside my soaking hot pussy, he withdrew it. Pressing his helmet against the entrance of my bottom-hole he prodded it until my sphincter muscle expanded sufficiently to permit him to feed his shaft inside me. Mark's cock pumped in and out of me as I squirmed and writhed beneath him, my pussy pounding and my arsepipe throbbing. Desperate for the orgasm that I could feel approaching, I pushed my arse backward to meet each thrust as his hardness sawed in and out of me. I felt the knowing tingles, then the first wave of orgasm hit me. He took that

as his cue to cum too, unloading what felt like barrels of goo deep inside my arse. *Martina, Leeds*

CRAVIN' GEMMA

I want to tell you about a great fuck I had after a party at a friend's house a couple of months back. The party had finished and most people had either gone home or gone to bed. I was sitting in the living room talking to Gemma, who is a friend of a friend. I didn't know her that well, so it was

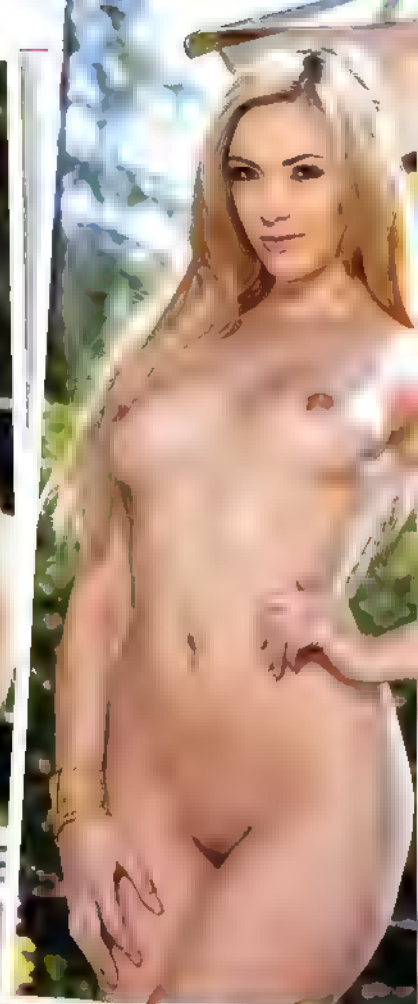

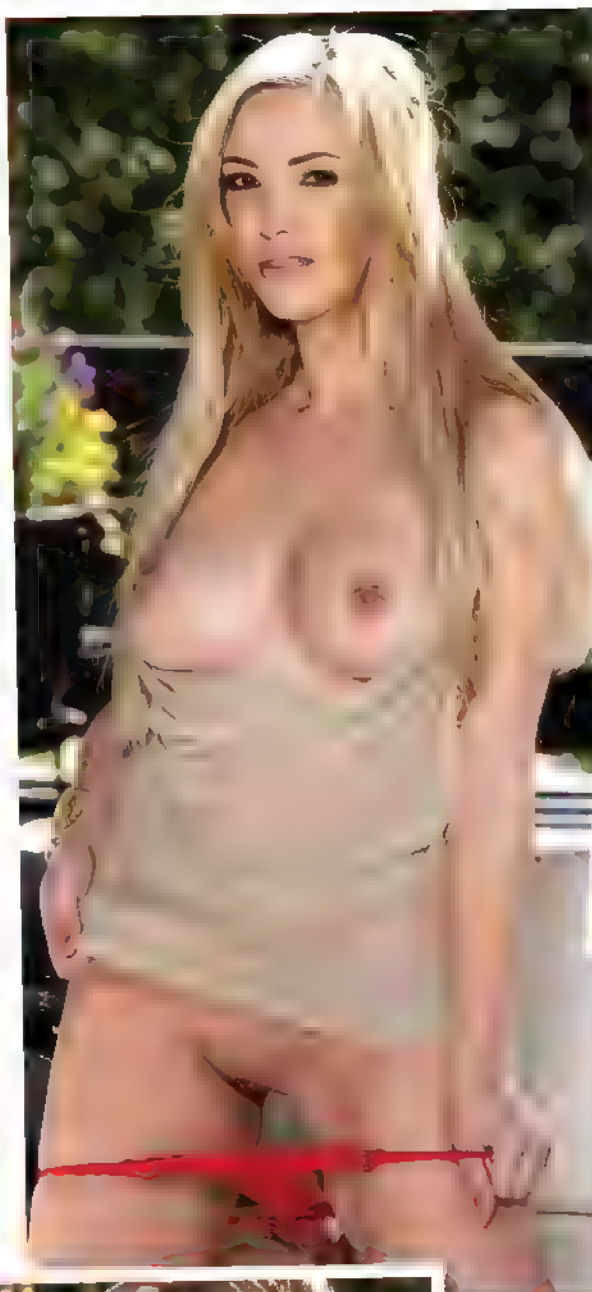

“It was driving me wild as she took my cock fully in her mouth and licked the underside of the head with slow strokes.”

nice to get the chance to get to talk to her, especially as I'd often thought she would be an awesome shag. Gemma's six foot tall, blonde, in her mid-twenties and is very curvy.

Anyway, I finished my drink and asked her if she wanted to crash on the sofa and I'd do my best to pass out in an armchair. She suggested we could both fit on the sofa. I knew this was bollocks, so thought this had to be a good sign. I joined her on the sofa after stripping to my pants and immediately found out I was right; there was no way we'd be able to sleep a wink like that.

But sleep was the last thing on Gemma's mind. At once she started to stroke my cock through the material of my pants. We kissed and I reached for one of her huge round breasts and large nipples as she put her hand in my pants and started first squeezing, then wanking my cock. My dick got hard in a second and so I started to suck on one of her nipples until that too was rock hard.

Gemma slipped off the sofa, knelt on the floor and started wanking my cock whilst licking the head. It was driving me wild as she took my cock fully in her mouth and licked the underside of the head with slow strokes of her

tongue. I told her to stop because I thought I was going to spunk in her mouth and I really wanted to fuck her. She made me lie on the floor and slowly lowered herself onto my rock hard cock. The feeling as Gemma slid down onto my knob was incredible, but got even better as she began to ride me aggressively. "I'm gonna fuck you hard, you bastard. Don't you fucking dare come yet,

don't you fucking dare."

By now Gemma was so wet I realised she was just about to come herself and when she did she ground down so hard on my pelvis I thought she was going to put me in hospital I survived, though and when she finally collapsed onto me, my cock still rock hard inside her, she quickly asked what I wanted to do now. I told her I wanted to fuck her from

behind, so Gemma obligingly got down on all fours. I positioned myself behind her, but as I was getting ready to stick my cock up her soaking cunt she reached behind and started smearing her pussy juices onto her arse.

"Fuck me up the arse," she ordered. I didn't dare argue and gently pushed the head of my cock against her impossibly tight arsehole, then slid into Gemma's lovely little butt. It felt great and when I began to build a gentle rhythm the feeling was unbelievable. I started pumping harder and faster, reaching round with one hand to stroke her nipple "Squeeze it hard," commanded Gemma and I quickly tweaked it.

I fucked Gemma's arse like a man possessed and tweaked her nipple until my fingers hurt. I couldn't hold back any longer and shot a load of spunk into her, then pulled out and splashed the last of it on her arse. I couldn't believe my luck with Gemma!

shley Downs is more than partial to a spunky spritz, while in the shower.

What's so great about showers, then? "Oh, that feeling of having warm water running down your body, it really does make me horny to my core. If I could find the right man, I'd happily spend all day in the shower with him. He could fuck me rigid as often as he wanted and I'd still want more! Any takers...?"

What our well-placed moles are telling us this month...

DOWN THE WIRE

DEATH CAP!

Mushrooms can be tricky little critters, especially the magic variety. A 41-year-old man is recovering in hospital after a mushroom high went terribly wrong. Police were alerted after a naked, bleeding male triggered an alarm outside a school, at 1.00 am in Columbus, Ohio. During the hallucinogenic

episode, the man, who hasn't been named, tore off part of his own penis, causing mutilation and severe blood loss. He has been treated for his injuries and is making a good recovery. Maybe he should have stuck to the mushrooms in his fry up...

Seat of Mormon!

Clearly 'love thy neighbour' has become old fashioned, especially if thy neighbour is sitting in one's seat. Wayne Dodge, 51, was arrested in Plain City, Utah, after a disagreement on reserved seating gathered intensity and turned violent. Dodge, a regular attendee at the Meadows

Ward Mormon Church, sat in a pew reserved for a family that does not usually attend the Ward.

It is alleged that, after punches were thrown, Dodge struck one of his fellow churchgoers with his car. Still, unfortunately, there were 400 people bearing witness for a missionary farewell and a baby blessing. He's no Utah Saint...

Gallop-thru!

Surly a historical mode of transport wouldn't be discriminated against by Maccy D's? Think again. Police were called to the Whitfield, Greater

Manchester branch of McDonald's where a woman was issued with a fixed penalty fine after taking her horse into the restaurant and allowing it to defecate on the floor.

Initially, the unnamed rider had tried to purchase food from the drive-thru but was refused service as it was said to be a health and safety risk to staff and costumers. What a load of manure!
